

Hey Michelle!

I hope you've had a fabulous week, despite all the rainy weather here in Seattle!

Before you head off to enjoy your weekend, I just wanted to remind you that as a part of this Movement and subscribing to our email list, you will receive updates and priority ticketing for all ULMS events and programs *before anyone else*.

Here's your first opportunity!

I'd like to offer you the *exclusive* chance to reserve a pair of **free tickets** and join us at our [19th Annual Breakfast](https://events.idonate.com/ulms-19th-annual-breakfast) on November 22nd. All you have to do is click the link below:

<https://events.idonate.com/ulms-19th-annual-breakfast>

After 72 hours, this link will be accessible to the public so make sure you reserve your tickets as *soon* as possible. Seating is limited!

As you may (*or may not*) know, in addition to raising critical funds for our work, the Annual Breakfast serves as a celebration of the impact on our mission from our donors, constituents, volunteers, friends, and, in particular, our corporate and institutional partners. Stakeholders and friends join us each year to reaffirm our shared commitment; and we very much hope you will be a part of this exclusive, community-minded group.

If you are a part of a company or organization that has already purchased a table via sponsorship of the Annual Breakfast, you do not need to reserve any tickets, as your seat will be reserved by your table captain.

If you have any questions or experience any difficulties with reserving your tickets, please feel free to reach out to me at any time.

We'll see you soon!

Yours in the Movement,

Ashley
