

How are you Michelle?

First, I hope this email finds you healthy and in good spirits. While we've made significant strides in flattening the curve of the coronavirus as a city and state, I know many of us are still adjusting to all of the new changes we've had to face.

Speaking of changes -- I'm writing you a quick note today to let you know about a recent change the Urban League of Metropolitan Seattle has decided to make and to hopefully get your invaluable input.

Our 20th Annual Breakfast, is set to take place in the fall. As we gear up to prepare a successful and engaging event to celebrate 90 years of impact (and the 20th anniversary of this special occasion), we realize that a virtual event will be the safest and best course of action.

Here's where I need your input: my team and I would love to hear your honest feedback in regards what your ideal participation for an event in a virtual space would look like.

When you have a spare moment, I'd like to ask that you take this brief 1-minute survey:

<https://form.jotform.com/ULMS/20th-annual-breakfast-survey>

Your insight will help us work toward making sure this digital breakfast is just as special, impactful and inspiring as it has always been.

That's all I have for now. In the coming weeks, my team will be reaching out as details for the 20th Annual Breakfast are finalized, so please be on the look out. Until then, if there are any questions I can answer for you, feel free to respond to this email at any time.

Stay safe and stay healthy! I look forward to connecting with you again soon.

Yours in the Movement,

Deionte Petty

Fund Development Director
