

Hi Michelle,

Whew!

What an incredibly amazing morning we had last Friday, wouldn't you agree? I hope you are settled back into your daily routine with a refreshed and inspired outlook on how the Urban League of Metropolitan Seattle is working to empower our community!

I have three things written down to follow-up with you about our 19<sup>th</sup> Annual Breakfast:

First, you truly you amaze me, Michelle.

Because of your support and commitment to Dream Big with us, we far exceeded our expectations and our goals last week! **Together, we raised more than \$400,000 to aid in our shared goal of saving lives and empowering those we serve – one family, one individual at a time.**

You made this possible!

This year was our biggest and most attended Annual Breakfast to date and we cannot THANK YOU enough! Knowing that you're in this with us makes our efforts to uplift this community we call home even stronger than ever before!

Second, your receipt for your gift will be emailed to you shortly. Right now, our team is working diligently to record donations received and send follow up letters via mail. The Urban League of Metropolitan Seattle is a 501(c)(3) not-for-profit organization and all donations are tax deductible by law. For your reference, **our Tax ID# is 91-0575954.**

Third, don't miss the chance to re-live the magic! Photos taken during the breakfast will be made available on our social platforms by the end of today. A recap video will also be sent out in the coming weeks. Here is a link to our facebook page for a sneak peak:

Oh, and one more thing – if your company has a match program, we would greatly appreciate if you could complete the steps required on your end to match your donation.

That's all the team and I have for now. Enjoy the rest of your week and I look forward to connecting with you again soon.

Onwards and upwards!
