

Hi there, Michelle!

I hope you've had a positive and productive start to your week!

I couldn't wait to connect with you and finally share some VERY exciting news regarding the Urban League's upcoming 22nd Annual Breakfast!

While the overall event focus continues to be an Era of Essential Service, this year's breakfast will include a special emphasis on uplifting the Black women in our community who have fearlessly and unapologetically stood in the face of adversity to ensure Black lives in this community continue to matter.

We are also extremely excited to share that this year's special guest is someone who understands firsthand how instrumental Black women have been in shaping, nourishing, and empowering the world as we know it – bestselling author and comedian, **Trevor Noah!**

Here is a quick overview of the event details:

- **Date:** Friday, November 30, 2022
- **Time:** 8:00AM - 9:30PM
- **Location:** The Westin -- Seattle

If you have not already done so, we ask that you consider joining us for what is sure to be an incredible moment among community! Sponsorship opportunities are now available via the Annual Breakfast event landing page here:

Public registration for the event will open in early September. Don't worry, I'll remind you once we get closer to the big date!

Please let me know if you have any questions in the meantime. We look forward to seeing you soon!
